

Looking for PD Credit? Earn Up to 25 Clock Hours

Depending on the number of sessions attended, professionals can earn up to 25 hours of 'seat time.' If you are coming from out of state, let us know what you need for verification of hours earned. Alabama educators should sign up in PowerSchool using these codes: Course # 243096; Title-Health & Physical Literacy Summit 2020.

CECH credits will be available for certified health educators. More details to follow in the coming weeks.
